FYI. I talked to Deb as well before hearing back from Shaun and she thought he might want to make one call to the Administrator on both this and DB. Let's raise that with Shaun during the briefing and see if that changes his thoughts on timing.

Shaun,

Do you have a target date for speaking with the Administrator regarding this issue? It will help with scheduling briefings. I believe the program was anticipating a mid-January release of the Class II report, if not sooner. A mid-December call, at the latest, to the Administrator is what Sarah Bahrman was thinking if we want to stay on track. If your preference is sooner, please let us know.

Shaun – as discussed at SLT yesterday, we are coordinating with OECA to find out if Cynthia has been briefed and where she stands on this issue. We will get back to you with more information as soon as we can. Please let us know if you have any additional questions.

Thanks.
